Re: Docket No. 2009-226-E; Duke Energy Carolinas, LLC Application to Adjust and Increase its Electric Rates and Charges

Dear Ms. Boyd:

I am writing to inform the Commission that Duke Energy Carolinas, LLC ("Duke Energy Carolinas" or the "Company") and the Office of Regulatory Staff ("ORS") have agreed that the Company will delay its filing of Rider EE for Vintage 2 in the above-referenced docket. The Company intends to update the rider from Vintage 1 revenue requirements to Vintage 2 revenue requirements. As demonstrated by McManeus Supplemental Exhibit 2, Duke Energy Carolinas anticipated filing its Vintage 2 rider on or about July 1, 2010, for rates to be effective in January 2011. However, the purpose of the timeline was to illustrate the vintage concept and that the filing timeframe indicated was simply an option. Therefore, Duke Energy Carolinas and ORS propose a filing date of September 1, 2010.

Please contact me if you have any questions.

Sincerely,

Timika Shafeek-Horton
